

THE EDGE OF EXCELLENCE
Summer Hockey Camp Accommodation Package
June 29 – July 25, 2010

Make La Casa Cottage Resort your home away from home while your child attends Summer Hockey Camp. The Edge of Excellence weekly hockey camps, for youths aged 5-17, are held at Mt. Boucherie Complex in West Kelowna, just a 30-minute drive along Westside Road. www.edgeofexcellence.com

Choose from luxurious 2 bedroom + loft/den or 3 bedroom Cottages with fully equipped kitchens and BBQs, washer/dryer and air conditioning – either on the upper ridge with spectacular views of Lake Okanagan, close to the swimming pool and activities, or closer to the lake and marina.

There's adventure and relaxation here for everyone, including hanging out at the lake, boating, swimming, and the kids will love the aqua trampoline! We also have 2 tennis courts, mini golf, volleyball, games room, fitness centre, kayaking and golf cart rental. Or hike, mountain bike and ATV in the back country wilderness behind the resort.

La Cantina grocery and beer and wine store provides the essentials to stock your kitchen, but be sure to take a break from cooking at Zocalo's Restaurant with magnificent lake views!
